

To sign-on for a walk

If using a desk-top or lap-top computer, go to the full walks program and just click 'Sign-on' for your chosen walk.

If using a Phone or Tablet (e.g. iPad), the Sign-on link will take you to the Walk Sheet (so you can see who else is walking) but you won't be able to enter your name unless you have the Google Docs app. Instead, telephone or email the leader.
