Thu 11 - Mon 15 Mar	BC	Bright	Var	320km NW	Cathy/ Lyn
--------------------------------------	-----------	---------------	------------	---------------------------	-----------------------------

Stay at the Bright Alps Lodge for day walks on Mount Buffalo and surrounding Alpine areas.

---	-----------	------------------------------	---------------------------	--------------------------	------------

From Mt Zero in the north to Dunkeld in the south, this new trail provides challenges for all levels. At 160km and 13 days it is a significant undertaking. However, to make it more relaxing I intend to have 1 or 2 rest days and options to have food and water drops in our cars at key locations.
